eLcurve - Accelerate your learning

Do you....

...need to train and assess human resources who are geographically dispersed?

...need to deploy courses and track their usage?

...need a partner who will help you implement your eLearning strategy?

Hurix with eLcurve has the solution for all your needs.

eLcurve is an enterprise class **Learning Management System** offered by Hurix Systems. Using the eLcurve framework, you can deploy a custom branded, standards compliant, multilingual Learning Management System on an affordable budget.

eLcurve can be deployed using different models depending upon your needs -

- **An ASP Model:** A pay monthly solution to kick start your eLearning initiative with no infrastructure costs
- **A Customized Build:** Hurix will shape eLcurve to make a Learning Management System to fit your organizations niche needs

hurix systems

Innovation · Excellence · Values
